

KAGOME

NEW BRANDING, SAME QUALITY

We are excited to announce from April 1st, 2024 we will be transitioning to the KAGOME brand for our foodservice range.

As part of the launch we are introducing new pack sizes that are more efficient to produce and more friendly to the environment.

Apart from a brand change, the product in the pouch remains the same great KAGOME formulation.

Discontinued code and description	NEW Kagome code and description
